Dear Village of North Fairfield Officers and Elected Officials,
On behalf for the Huron County Community Library Board of Trustees and Staff, I extend sincere thanks for allowing us to use park and Village facilities for our Storybook Walk and summer reading activities. We are grateful to the Village for supporting our efforts this summer during our *Unearth A Story* summer reading program.

The program is in full swing and we have numerous children, teens, and adults participating. We have promoted literacy with book discussions, storytimes, workshops, special speakers, talented performers, crafts, games and so much more.

I believe these engaging activities encourage participants to read, learn, and develop a lasting appreciation for books and the written word. It is the library's privilege to foster a love of reading while strengthening our community's commitment to lifelong learning.

We value our partnership with the Village of North Fairfield and hope our efforts continue to enrich the lives of its residents.

Sincerely,

A handwritten signature in blue ink that reads "Laura Lee Wilson".
